Dear Roderic,

Thank you for your recent letter in relation to the provision of a new secondary school at Kellystown, Dublin 15.

You may be aware, the Department intends to acquire sites in the Dublin 15 area for the purposes of providing additional school places. My Department is aware of a need for further post primary provision in the Dublin 15 area.

Due to the commercial sensitivities attaching to site acquisitions generally, you will appreciate that I am not in a position to comment on the details of the matter until such a time as the acquisitions have been completed.

I hope you will find this information of assistance.

Yours sincerely

Batt O'Keeffe T.D.
Minister for Education and Science
