30th January 2009

Dear Mr O'Gorman,

I wish to acknowledge the receipt of your letter dated 6th January 2009 to Mr Michael Lorigan, Director of Services in relation to the provision of traffic calming measures on the Diswellstown Road.

In association with the scheme for the construction of the Porterstown Link Road, from the roundabout at the western end of the Diswellstown Road, it is proposed to provide traffic signals at the Riverwood Road roundabout and at the roundabout at the entrance to St. Patricks National School. In addition it is intended that schemes for the provision of traffic calming measures on the Diswellstown Road, the Luttrellstown Road, Rugged Lane and Somerton Lane will be drawn up.

To date, the details of these schemes have not yet been finalised. When the relevant schemes have been prepared, arrangements will be made to have the details of the schemes put on public display.

Yours faithfully,

Tommie McManus
